Dear Friends and Client,

I hope this letter finds you well. I am sending you this letter to inform you that as of February 28, 2023, I will be retiring from the insurance industry. I have been blessed to have serviced you and the community for 32 years.

As we all know, every industry has changed the inner workings with new technology and more call centers rather than walking in and speaking to local tellers or agents that we have been accustomed to. This nothing new, we have been going this direction for sometime. I am just not there. Technology is not my friend,;) *is*

I have always been a hands on agent and, unfortunately, corporations do not work that way. I have loved helping and serving all of you. With this being said, this is to inform you that your policies will either remain at the current office location with the same phone number of contact and now be serviced by the new agent, Sara. Sara is now a qualified agent for Farmers Insurance, after completing a rigorous Protege Training program. The remaining policies will be transferred to resident agent and prior employee, Robin Miles, who's office is located at 102 W. 3rd St. The Dalles, Or. 97058. She can be reached at 541-296-3118.

It has been my true honor to have served you and your families for the last couple of decades. I am looking forward to spending time with my family and friends and working on my health. I always promised myself and my family that I would retire while my health is good. I owe this to myself and my family.

You all have become a part of my life. Through the good, the bad and the ugly. I love you all.
