Narrative Summary		
OSP assisted The Dalles Police Department and the Wasco County Sheriff's Office in the attempt to locate of a subject who stole a vehicle at knifepoint. County and city units had initiated several pursuits with the vehicle as it continued to elude. A Wasco County Sheriff's Deputy located a possible suspect vehicle and approached on foot. The suspect was in the vehicle and attempted to run the deputy over. Units initiated another pursuit with and spiked the vehicle. OSP units joined the pursuit just prior to the vehicle entering I84. The vehicle exited the interstate and led units to a parking lot where it was boxed in. The driver refused to exit the vehicle and the passenger's side window was broken out by city units. OSP was able to deploy a Taser on the driver who quickly gave up and was taken into custody.

Narrative Summary		
Log Only OSP was requested to locate a vehicle that was being tracked by a detective from Grant County Washington. OSP was asked to stop the vehicle, arrest the driver, and impound the vehicle. It was reported the driver had been involved in a shooting in Washington State. Deputies from Gilliam and Sherman County stopped the vehicle in Lepage Park and detained the driver. OSP Troopers responded and contacted the Detective from Grant County. The Detective was advised officers in Oregon could not arrest on his Probable Cause unless there was a warrant issued. The Detective asked that the vehicle be towed because he had a search warrant for the vehicle, but later advised he could get one in about 15 minutes. Since the Detective did not have any warrants and his case appeared to be ill prepared the Troopers and Deputies found no reason to keep the driver detained and released him.
