Traffic					
Location I 84, Mile post 92 to 92 EB, WASCO OR USA					
County WASCO					
Narrative summary					
LOG ONLY A vehicle was stopped for driving 88 mph. The driver from Vancouver Washington was not on the rental agreement of the car rented in Colorado. The occupants advised they were returning to Colorado. A near hit warrant returned on the driver; the name, birthday and location of the warrant all matched. I was not able to get a booking photo for the 2010 warrant and the height was a few inches off. The driver voluntarily accompanied me to NORCOR where his fingerprints were run through AFIS. It was determined the driver was not the wanted subject. I provided information to Colorado and to the subject to avoid this confusion in the future.
